

Oasis

Welcome to the Oasis! We come together as a family to continue our faith development as God's people. This program is fun, full of learning, and definitely not a waste of time! We start the evening at 6:30PM with a family friendly worship service and then head on off to Bible classes for all ages. Come check out the Oasis every Wednesday. See you there!

Children

Oasis is a time for children of all ages to come together and grow in their relationship with Jesus. We have loving teachers that lead the kids in hands on activities to help the Bible lesson come to life. They genuinely help kids of all ages know, love, and follow Jesus. The most important thing is for children to have a growing relationship with Jesus. Oasis is just one more way to help them grow!
